28. **BUDGET PLAN - (Continued)**

Off Season Equal Payment Plan - (Continued)

The total gas consumption is then divided into equal Mcf over the remaining months in the extended period.

The equal Mcf is multiplied by the current rate in effect to obtain a monthly amount.

The equal monthly amount is multiplied by the total months in the extended payment period to obtain the total estimated amount due during the extended payment period.

Existing arrearage, if any, will be added to the total estimated amount due in the extended payment period to obtain the total amount due.

The total amount due is then divided into equal payments over the remaining months in the extended payment period. If such equal payment should not divide into an even dollar amount, such equal payments are increased to the next even dollar amount.

If existing arrearage is present at the time of application, the first month's budget payment amount shall be paid at the time Customer's request to participate in the plan is granted.

The last payment under this off season budget plan will end with the June payments. Payments due in July will be for the difference between the amount applicable to actual gas consumed plus any arrearage during the extended payment period and the amount actually paid during the extended payment period.

If, during the billing months of April, May or June, Customer's account balance is less than the monthly budget payment, then such Customer shall pay the account balance instead of the monthly budget payment. If, during the billing months of April, May, June, or July, Customer's account balance reflects a credit, that amount shall be refunded upon request.

This budget plan will be canceled and the total account balance shall become due, or in the event of a credit balance, such balance shall be refunded, under the following circumstances:

Discontinuance of service at Customer's request;

Discontinuance of this budget plan at Customer's request; or

If Customer fails to pay bills as rendered under the budget payment plan, Company reserves the right to revoke the plan, restore Customer to regular billing and require immediate payment of any deficiency.
