

Columbia Gas of Kentucky

Low income FURNACE REPLACEMENT PROGRAM

CUSTOMER FLYER

NEED A NEW FURNACE?

You may qualify for a **FREE** furnace replacement

The Columbia Gas of Kentucky Low-Income Furnace Replacement Program helps eligible households replace unsafe, failing, or non-working furnaces at **no cost**. This program is administered through Community Action Council.

What the Program Provides

- High-efficiency furnace replacement at **no cost**
- Replacement of an aging, unsafe, or non-working furnace
- Reliable heat during the winter
- Fewer concerns about furnace breakdowns

Who May Qualify

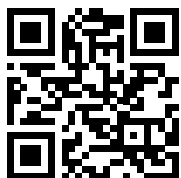

You may qualify if you are a Columbia Gas customer and:

- Meet low-income eligibility guidelines
- Have a household income at or below 200% of the Federal Poverty Guidelines
- Own your home or have your landlord's permission

Priority is typically given to:

- Seniors
- Medically vulnerable households
- Families with children
- Households with urgent heating needs

How It Works

- Visit **ColumbiaGasKY.com/Furnace** or scan the QR code
- Apply through the Community Action Council
- Community Action reviews household eligibility and evaluates the condition of the existing furnace
- If approved and funding is available, Community Action schedules installation with an approved contractor at **no cost** to you

Additional Assistance May Be Available

Customers who qualify for a furnace replacement may also qualify for additional assistance.

For more information go to **ColumbiaGasKY.com/Assistance** and **ColumbiaGasKY.com/SAVE**.
